

Thank you for your consideration in supporting our students! Below are our sponsorship opportunities for our Fall 2021 Code@Nights:

Expositional Expert¹ \$850	Have a representative (or multiple; the more the merrier!) from your organization come to campus to lead a Code@Night. There will be many opportunities to network and we will gladly acknowledge you on our website !
Resume Reviewer \$400 (with Expositional Expert ²)	Receive a digital copy of ACM's resumé book, to be delivered after the date of your Code@Night.
Celebrated Caterer Variable	Add something tasty of your choice to your event! (Our students tend to be more inclined to come if there's food on the table...)
Swagalicious Socializer Variable	Everybody loves free swag, especially if it's decked out with your sleek logo!

Note that the costs listed are per item; for example, leading a Code@Night (Expositional Expert) and purchasing access to our resumé book (Resume Reviewer) costs \$1250.

And as always, if you have any other ideas for how to support our Code@Nights or ACM in general, we are open to hearing them! Thanks again!

¹ We reserve the right to cancel any in-person events if the public health situation worsens. If this happens, any costs paid to connect with our students in-person will be refunded.

² If you are interested in ACM's resume book but do not wish to lead a Code@Night, they can be purchased for \$750 by emailing ptonacm@princeton.edu.
